Dear Mr. Hanson:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. The review raised questions concerning certain information contained in the report(s). An itemization follows:

-Schedule H4 of your report discloses activity classified as exempt. Please be advised that only state and local party committees are permitted to engage in exempt activities. 11 CFR §100.8(b)(10) Please amend your report to correct this discrepancy.

-On Schedule H4 supporting Line 21(a) of the Detailed Summary Page, you have failed to include the purpose for several joint expenditures to various vendors. Note that the unique identifying code for an event is not considered an adequate description of purpose. Please amend your report to include this missing information.

-You have opted to file your reports electronically; however, you have failed to do so for the above referenced reporting period(s). Please be advised that if a committee chooses to file its reports electronically, it must continue to file all reports electronically for that calendar year. 11 CFR §104.18 Please file the September Monthly Report(s) electronically.

A written response or an amendment to your original report(s) correcting the above problem(s) should be filed with the Federal Election Commission within fifteen (15) days of the date of this letter.
