In response to the request from the FEC dated February 26, 2003 please find the following explanantion for the lack of administrative expenses. Ms. Raucci organized an event and gathered a group of volunteers to assist her in mailing invitations. For her efforts she was paid $1000 that was reported on the Twelve day Pre-Primary report. Ms. Raucci continued to volunteer her time until the leadership PAC hired two consultants. Both have their own offices. Therefore, there is no rent, utility costs incurred by the PAC.. Reimbusements are paid to the consultants for postage, printing, travel, etc. The Leadership purchased a cell phone for use rather than a hard wire system. It is hoped that this explanation covers the request for information for the reports of 4/1/02-5/1/02, 5/2/02-6/30/03,7/1/02-8/21/02,10/1/02-10/16/02, and 10/-17/02-11/25/02.
