October 31, 2006

Secretary of the Senate
Office of Public Records
P.O. Box 5109
Alexandria, VA 22301-0109

Dear Madam Secretary:

This letter and the attached amended report are in response to the Federal Election Commission's preliminary review of the July Quarterly Report (4/1/06- 6/30/06) of the Evan Bayh Committee. The letter (copy enclosed) indicated a few questions that the Commission wanted the committee to address.

1.) Your report discloses contributions from individuals for which the identification is not complete.

We believe that our committee meets the "best efforts" standard in regard to these contributions. Our procedure for requesting the required information is as follows:

All written solicitations for contributions include a clear request for the contributor's full name, mailing address, occupation, and name of employer, and include an accurate statement of Federal law regarding the collection and reporting of individual contributor identifications. The request and statement appear in a clear and conspicuous manner on any response material included in our solicitations.

For each contribution which lacks required contributor information, such as the contributor's full name, mailing address, occupation or name of employer the committee makes the following efforts after the receipt of the contribution to obtain the missing information:

An oral request documented in writing is made for the information within thirty days after receipt of the contribution. The oral request does not include any other subject or any additional solicitation. The request clearly asks for the missing information and includes the statement of Federal law regarding the collection and reporting of individual contributor identifications.

The oral request is followed by at least one written request which does not include any other subject or any additional solicitation. The written request clearly asks for the missing information and includes the statement of Federal law regarding the collection and reporting of individual contributor identifications.

26020980821

The committee reports all contributor information not provided by the contributor, but in the committee's possession.

Contributor information received after the filing of our regularly scheduled July Quarterly report is included in the attached amended July Quarterly report.

2.) Schedule A of your report discloses contributions from political committees but fails to include the address.

We failed to include the address for W.E. Berkley Corporation which is: 475 Steamboat Road 4th Floor, Greenwich CT 06830. The enclosed amended report does include this address.

3.) Schedule A of your report discloses contributions from political committees but fails to include the full and/or recognizable name.

We listed a contribution from U.A. Political Education Committee which should have been listed as United Association Political Education Committee. This has been corrected on the enclosed amended report.

We believe that this letter and the amended report filed herewith addresses all of the concerns of the FEC. We look forward to working with them and with you in the future.

Sincerely

Dennis M. Charles, Treasurer
