No expenditure was made on behalf of a specifically identified federal candidate. No expenditure was for a public communication that referred to a clearly identified candidate for Federal office and that promoted, supported, attacked or opposed any such candidate for Federal office. All disbursements for salaries and benefits disclosed on Schedule H4 are for employees who did not spend more than 25% of their compensated time during the month on Federal election activities or activities in connection with a Federal election. The voided item on Schedule H4 in the amount of $750.70 was for a check issued the previous reporting period, but returned to the Committee during the current reporting period. It was provided as a travel advance for a trip that ultimately did not occur. Accordingly, the check was not reissued.
