Form/Schedule : **SA15**

Regarding 'Asset Sales' reported on Schedule A supporting Line 15 of our report, occasionally the RNC has used office equipment that we need to dispose of. This equipment may be sold in bulk to a commercial liquidation business or piece by piece to individuals. When this is done, these items are reported as 'asset sale' and the price charged is such that they in no way constitute a political contribution. The used assets liquidated by sale to individuals or business are reported as 'Asset Sale' and are priced at fair market value. These items sold by the RNC are not unique to our business, they are common items found in most business, such as computers and cell phones. As such, the market price for these items are determined by referring to internet auction sites or checking replacement values from retail sources.

Form/Schedule : **SA15**
Transaction ID :

With regard to the usual and normal charge for fees received from a federal candidate on Schedule A supporting Line 15, the RNC charges fair market value for services it provides. Prices are intended to recover the cost for providing the service. The services reported on this schedule for which the RNC received payment were not services of a nature which is unique to the RNC. Services of this type are common in the business community and as such, the RNC compares and sets the price charged to prices available from other commercial sources.
