Dear Sir or Madam:

This is in response to your January 7th letter regarding our 2002 Post General report as well as to detail additional amendments necessary.

In regard to our failure to include transfer memos for two Inhofe Oklahoma Victory 2002 transfers, the error was caused by our failure to code the transfer memos in our campaign software database. This has been corrected. See amended pages 154 and 155 we have included.

Concerning the last-minute contribution we failed to report on our Pre-General election 48-hour reports, we were able to identify one contribution from Robert Murray which it appears we failed to include on one of our 48-hour reports. Actually, what happened was that we had originally thought it was the intent of the donors Mr. & Mrs. Robert D. Murray to divide their $1,500 contribution equally, which would have made the contributions $750 each and would not have required inclusion on the 48-hour report. However, the written attribution requests that the contribution be split $1,000 to Mr. Murray and $500 to Mrs. Murray. Between the time the 48-hour report was created and our Post-General report was filed, the records were corrected.

Please not that the amended totals also include two unitemized and one itemized transactions previously omitted. Due to our edonation report not being received until after the report was filed, we omitted an unitemized contribution which increased our receipts by $20 and an itemized service fee to Hockaday Donatelli/Campaign Solutions (amended page enclosed). We also accidentally omitted an unitemized Other Disbursements of $150.

If you have any more questions, please don't hesitate to contact us.

Respectfully submitted,

Jerry Bowser
