Dear Mr. Pledger:

On April 22, 1998 you were notified that a review of the above-referenced report(s) raised questions as to specific contributions and/or expenditures, and the reporting of certain information required by the Federal Election Campaign Act.

The Commission notes your letter of May 6, 1998, indicating that you need additional time to provide the requested information regarding \$1500 in Ticket Sales receipts. This notice serves to give you more time in which to respond to the questions addressed in the Commission's letter. **Additionally, you need to provide the date and amount of the corrective transfer back to your non-federal account.** The transfer should represent the amount of impermissible funds received from your non-federal account for interest payments on a line of credit. You may submit a photocopy of the transfer check to respond to this request.

If this information is not received by the Commission within fifteen (15) days from the date of this notice, the Commission may choose to initiate audit or legal enforcement action.

If you should have any questions related to this matter, please contact Scott Francis on our toll-free number (800) 424-9530 or our local number (202) 694-1130.

Sincerely,
