Re: Amended Summary Pages

Dear Sir:

The Lonegan for Senate Campaign which was formed to compete in the NJ Special Election of 2013 had previously filed its FEC Disclosure Reports using the election cycle that ended on November 4th, 2014. The election cycle should have had an ending date of October 16, 2013; the date of the Special Election.

The Summary Sheets for the following reports have been amended and are attached:

- Post Special Election Report;
- Year-End 2013 Disclosure Report;
- 1st Quarter 2014 Disclosure Report; and
- 2nd Quarter 2014 Disclosure Report.

Please contact me should you have any questions.

Sincerely,

Scott B. Mackenzie
