Dear Mr. Bauer:

On April 16, 2003, you were notified that a review of the above-referenced report(s) raised questions as to specific contributions and/or expenditures, and the reporting of certain information required by the Federal Election Campaign Act.

Your April 21, 2003 response is incomplete because you have not provided all the requested information. For this response to be considered adequate, the following information is still required.

-Your response failed to adequately clarify the purpose of disbursement disclosed on Schedule B. You were originally asked to clarify the following description: "Consulting SVC." However, your response indicated the clarification of this purpose of disbursement as, "Consulting Service," is not an adequate clarification. For further guidance regarding acceptable purposes of disbursements, please refer to 11 CFR §104.3(b)(3).

An adequate response must be received at the Commission by June 4, 2003. Adequate responses received on or before this date will be taken into consideration in determining whether audit action will be initiated. **Requests for extensions of time in which to respond will not be considered.** Failure to provide an adequate response by this date may result in an audit of the committee. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action.
