ANNCR: He helped run Eli Lilly a multibillion dollar company that's created thousands of jobs. When President Bush wanted a strong business leader for one of the toughest jobs in his Cabinet, he called *this* man.
And now, for the first time, he is a candidate for public office doing things differently. Out on the road finding Hoosiers where they live, and work. He's Mitch Daniels a leader for Hoosiers ready to aim higher and bring Indiana back strong.
