In response to your letter dated June 18, please note that the cash balances and the line calculations on the summary pages have been amended in our June 13 amendment. The payments from federal candidates for goods and/or services provided have been assessed as pass-through costs from the Committee with no reduction or discount in the original cost of the services or goods. The prior amendment included the Schedule C and C-1 filings and the signed copy by the bank will arrive under seperate cover. All expenses with the description 'production' are related to the generic production of committee communications and are not for the benefit of any specific candidate. The allocation ratio 313-325-333 is for an on-going project and the ratio was revised on 10/17/02. Please contact me with any questions.
