Note to Schedule A, Line (a)(i)

In some instances information was omitted regarding a contributor's occupation and name of employer. The Committee omitted the information from the Report because, despite its "best efforts", it was unable to obtain the information from the contributors in question. Regarding the Committee's "best efforts" to obtain the information, the Committee routinely sends a letter to each contributor requesting that they provide their full name, address, employer and occupation. This letter also states that this information is requested pursuant to Federal Election Commission regulations. A sample copy of this letter follows this note.
