Dear Madam Secretary:

This letter is in response to the Federal Election Commission's preliminary review of the third quarter report (07/01/08 – 09/30/08) of the Evan Bayh Committee. The letter indicated the following question that the Commission wanted the committee to address.

1.) Your report discloses $98,090.17 in other receipts on line 15, column A, of the detailed summary page. However, your report does not include a schedule A to support this amount.

We believe that the report as originally filed did include a schedule A page in support of this amount. In any event we are providing the requested page as part of this response.

2.) Your report appears to be classified as a twelve day pre-special election report. However the coverage dates appear to be consistent with an October quarterly report. Please re-classify the report or provide an explanation for the discrepancy.

We agree with the commission that our original report was incorrectly classified as a twelve day pre-special election report. We are including an amended page one of our FEC Form 3 to reclassify the report as an October Quarterly report

We believe that this letter addresses all of the concerns of the Commission. We look forward to working with them and with you in the future

Sincerely,

Dennis M. Charles, Treasurer
