Re: I.D. Number C00122101

Dear Mr. Dodson:

I am responding to your letter of July 1, 1998 in regard to our first quarter 1998 report. Please refer to my letters to you of April 29, 1998 and May 20, 1998 in regard to the mid-year and year end 1997 reports. Unfortunately, the committee had the same problem with the first quarter 1998 report as it did with the 1997 reports.

I previously sent a copy of the letter to you that we are sending out to all of the people that contributed over $200.00 to SCI-PAC in 1997. We have prepared a similar letter in regard to 1998 contributions that we will be sending out to all of the people that contributed over $200.00 in the first quarter of 1998. When the additional information is received I will add it as supplementary information to future reports. If this is not satisfactory, please let me know.

I took over as treasurer after the April 1998 report was prepared. As long as I am treasurer of this committee you may be assured that we will not have this same problem again with any future reports beginning with the July 1998 report.

Yours very truly,

Glenn Rasmussen, Treasurer
