. Form/Schedule : **SB17**

Transaction ID : **D381720**

This disbursement is for the balance of the automobile loan. The loan amount was originally calculated with a payoff date of January 1, 2011. Because the loan was paid off early, the actual reported loan amount was $183 more than the actual paid amount. The original loan amount has been reduced by $183 to reflect the interest savings from paying off the loan early.
