(ii) all its rights and causes of action against all parties arising from or in connection with the contract of sale or purchase of the property covered by the Credit or the transaction involving the Credit, or any guarantees, agreements or other undertakings (including those in effect between the undersigned and any account party named in the Credit), credits, policies of insurance or other assurances in connection therewith; and

(iii) the following specifically described collateral, if any: That certain Assignment of Deposit Account Agreement dated May 8, 1995, from Phil Gramm for President, Inc., as Grantor to Lender, covering a Franklin National Bank of Washington, DC, Certificate of Deposit Number # 10243334, in an amount not less than One Hundred Thousand and No/100 U.S. Dollars ($100,000.00), as more particularly described therein.

b. You may, at any time, before or after maturity of the Obligations, transfer into your or your nominee's name all or any part of such security without notice to the undersigned or any other person. After an "Event of Default" as defined in Paragraph 9, you may, without regard to such maturity, realize upon (by sale, assignment, setoff, application or otherwise) all or any part of such security, in each case without advertisement, notice to tender, demand or call of any kind upon the undersigned or any other person. Any such sale or assignment may be public, private or upon any broker's board or exchange, for cash, on credit, or for future delivery, and at such price and upon such terms and conditions as you deem appropriate. You may acquire all or any part of such security and any purchaser shall hold the same free from any equity of redemption or other claim or right on the undersigned's part, which are hereby specifically waived and released. You may discount, settle, compromise or extend any obligations constituting such security, and sue thereon in your or the undersigned's name. Any demands, tenders, calls or notices to the undersigned shall be deemed duly made or given as of the time left at the undersigned's last known address, or mailed, telegraphed, telephoned, or otherwise sent to such address. The withdrawal or discontinuance of any advertising, notice, tender, demand or call at any time given or made shall not be a waiver of your right to proceed in the same or other instance without any further action.

c. Proceeds of any such security shall be applied without any marshaling of assets, in such manner or order as you may deem proper, to any one or more of the Obligations, whether or not due.

d. No receipt of, realization upon, release or substitution of, or other dealing with, any such security shall affect your rights or liens hereunder.

9. Any of the following shall constitute an "Event of Default" hereunder: (1) the failure of the undersigned to pay in full when due any payment required to be made in connection with any of the Obligations, or to pay when due any other obligation for borrowed money, whether owed to you or to any other person or entity; (2) if any warranty or representation of the undersigned or any guarantor is untrue or misleading in any material respect; (3) the inability of the undersigned or any guarantor to pay its debts generally as they become due, or the insolvency of the undersigned or any guarantor, or any assignment for the benefit of creditors, or the filing of a petition by or against the undersigned or any guarantor under the provisions of any bankruptcy, insolvency, or similar law for the relief of debtors, or the issuance or service of any attachment, levy or garnishment against the undersigned or any guarantor or any of the undersigned's property or the property of any guarantor, or if the value of any property securing any or all of the Obligations has been materially and adversely affected, or if a material, adverse change has occurred in the financial condition of the undersigned or any guarantor; or (4) if the undersigned or any guarantor shall become incompetent or die, or in the case of an entity,

shall dissolve, merge, consolidate, cease to be a going concern, or suffer or permit a change of general partner in the undersigned, or a change in the ownership of the majority or effective control of the voting stock of the undersigned.

Upon the occurrence of any Event of Default or at any time thereafter, at your option, all of the Obligations shall become immediately due and payable in full, without presentment, demand, protest, or other notice of any kind, all of which the undersigned hereby expressly

10. In case of any extension or renewal of the Credit, or increase or other modification of its terms, or the further financing or refinancing for the undersigned of any transaction effected under the Credit, as, for example, on a temporary advance, banker's acceptance, loan or other financing basis, with or without further documentation or agreement, this Agreement shall continue to be binding upon the undersigned in all respects with regard to the Credit as so extended, renewed, increased, or modified and to any transaction so financed or refinanced.

11. No provision hereof shall be deemed waived by you unless signed in writing by you, and no such waiver shall be applicable to matters occurring or continuing thereafter. No right shall be deemed waived by non-exercise thereof, or delay in respect thereto. If this Agreement is signed by more than one party, each such party shall be jointly and severally liable for payment of the Obligations and the performance of all terms hereof. Whenever used herein, the singular shall include the plural, the plural shall include the singular, and the use of the masculine, feminine or neuter gender shall include all genders.
