15 DEC 21 AM 11:38

Dear Sir:

The Committee to Elect Alan Grayson is submitting an amended 20154 October Quarterly Federal Election Commission Report. The reason for this amended report is due to software issues that caused an individual to be reported as contributing in excess of 2,000 times when this was not actually the case. Due to the number to instances this individuals name erroneously appears on the original report submitting an entire amended report is fewer pages than submitting just the pages that are changed.

After lengthy conversations with the Committee's software provider it was determined that the error was caused during a software upgrade initiated by the provider. Under the software system, each contributor is assigned a unique identifying number, somehow during the upgrade a single contributor and ActBlue were assigned the same identifying number. This duplication caused every Earmarked contribution received from ActBlue to be duplicated under the individual.

As these contributions were never actually made by the individual, the Committee has also reversed the refund of contribution that was reported on the original report.

Additionally it was discovered that some payments were entered twice. There additional payments have been removed from the operating expenditures.

If there are any questions please feel free to contact the Committee.
