FEC FORM 3X (Rev. 12/2004)

FE6AN026

A. Form/Schedule : **F3XA**

Transaction ID :

This Amendment has been filed in response to an RFAI dated March 9, 2011. The items raised are addressed by the RFAI's item numbers. (1) The Committee made independent expenditures referenced in the RFAI to Biz-Goods LLC on August 23 in the amount of $1,100, and on September 9 in the amount of $885. The Committee should have filed 48-Hour notices on these expenditures as independent expenditures had already aggregated over $10,000 at the time they were made. The Committee will endeavor to improve its independent expenditure reporting in the future. These two expenditures make up less than 1 percent of total indpendent expenditures for the quarter. (2) The Committee reported a number of expenditures on Schedule B, principally related to fundraising. These expenditures were for the Committee's own fundraising efforts and were not made on behalf of any specifically identified federal candidates, so no additional information is required on either Schedule B or Schedule E. (3) The Committee made a number of expenditures related to promotional activities, advertising, and media. These expenditures neither included express advocacy nor referred to any clearly identified Federal candidate. All were related to the grassroots activities of the Committee and its efforts to raise funds and recruit volunteers to support that activity. These expenditures were properly reported on Schedule B. In addition to the issues raised in the RFAI relating to this report, a review of the Committee's records to prepare responses to RFAIs for subsequnet reports revealed a significant data entry error that resulted in the under-reporting of receipts. The Committee received contributions through a number of different channels. In an effort to track online contributions received through one of the Committee's websites, a special account code was created in the Committee's reporting software. Because of the way the account code was created, contributions received through this channel were not reported. The Committee has corrected the data entry error and this report details all of the Committee's receipts for the relevant period. This accounts for the increase of about $45,000 in receipts between the original report and this amended report. Additionally, the Committee discovered that the accounting records provided by one of its online credit card processing vendors included details of contribution refunds in footnotes. The Committee did not initially report these refunds. This error has been corrected on this amended report.
