The Committee is in receipt of the Commission's letter dated October 28, 2005 regarding the amended 30 Day Post General Report. Please note that the Committee performed an internal audit of its 2004 financial activity and an amended report was required due to the following: The post-general election period saw a large increase in the number of transactions (just shy of a 1000 page report) undertaken by the committee in a relatively short period of time. The situation was compounded by the fact that most of the general election campaign activities were conducted out of a satellite office set up for the general election campaign. These factors led to the inadvertent omission of $575,213.38 in disbursements made up of mostly two payrolls, paid canvassers and Telemarketing fees for fundraising as well as the duplication of several transactions as noted in this amendment. It should be noted that the post-general report covers some of the highest volume periods of a party committee's election cycle. The committee has done an internal audit of all of 2004 and has taken steps to insure that it has the resources to handle such a large increase in activity and more accurately disclose its activity on the original reports for the next campaign cycle. - Schedule B has been reviewed and all disbursements with the description "Reimbursement" and "GSI" have been clarified. - The $10,000.00 transfer to the non-federal account in question was a non-federal PAC check that was deposited in the federal account in error. - Line 21(a) of the Detailed Summary Page now reflects the sum of the entries on Schedule H4. - Event year-to-date totals on Schedule H4 are now correct.
