FEC MISCELLANEOUS TEXT RELATED TO A REPORT, SCHEDULE OR ITEMIZATION

Form/Schedule: **F3XA**
Transaction ID :

The Committee responds to the January 18, 2017 RFAI, with response due February 22, 2017, as follows: 1. The discrepancies on Line 8 were the result of a reporting software error. This report has been amended to list the correct number. 2. With respect to the Campaign Solutions expenditures, incorrect dissemination dates were listed due to a data entry error; this report has been amended to list the correct dates. The original estimated amounts were exceeded, and the final amounts were included on this report. For the UPS Store expenditure, the original estimate filed on October 7, 2016, was less than the final expenditure amount of $10,049.99, which was included on this report. The second estimate, filed on October 14, 2016, was greater than the final amount, which was paid to UPS Store through another vendor, which was reimbursed in the next period. Due to a processing error, the reimbursement subpayments were reported on Line 29, instead of Line 24. This report and the next have been amended to correctly report these transactions. 3. With respect to the American Action News and Political List Brokers, LLC estimates, these amounts were never actually spent, and so were not included on this report. The Infocision Management Corporation estimated budget was extended through November; the final expenditure amount was properly reported on the Pre-Run-off report.
