FEC MISCELLANEOUS TEXT RELATED TO A REPORT, SCHEDULE OR ITEMIZATION

Form/Schedule: **F3XA**
Transaction ID :

The Committee has amended this report in response to the June 28, 2018, RFAI, and addressed the issues as follows:Issues 1-3: Due to a software usage related error, the beginning cash balance, ending cash on hand, and Column B of the Summary and Detailed Summary Pages calculations for this report were incorrect. This amendment lists the correct figures. Issue 4: The Committee has updated Schedules D and E to reflect payments made during this period for the debts previously reported. Issue 5: All independent expenditures in question, except for 2 (see below) reported on the 24/48 hour reports were for estimates that were never actually spent, and therefore were not included on the year-end report. Two transactions were reported on the Year-End Schedule E (Campaign Solutions, Tran. ID SE24.105833; Campaign HQ, Tran ID SE24.108808), but due to a data entry error, had memo text that included incorrect transaction IDs to properly relate these transactions back to the estimates reported. This amendment corrects the memo text for those expenditures.Issue 6: The Committee identified two transactions with either different amounts or dates of dissemination between the 48-Hour report and Year-End Schedule E. The Committee has amended the original 48-Hour report (FEC-1170377) to correct the amount actually paid for this expenditure (Tran ID, SE24.102203), from $5,000 to $2,000, which corresponds with the transaction disclosed on the Year-End Schedule E. The Committee filed a 48-Hour report (FEC-119068) containing an estimate for the month of November to Connell Donatelli for Online Voter Contact (see Tran ID, SE24.108812). On the Year-End Schedule E, the Committee reported an expenditure (Tran ID SE.24-112797) that included memo text that the expenditure is part of an estimate and refers back to Tran ID SE24.108812. There was no change to this transaction as it was properly reported and related back to the original estimate filed.Issue 7: The Committee reported two transactions on two 48-Hour reports (report FEC-1167710, Tran ID SE24.102133; and report FEC-1177537, Tran ID SE24.104778) as estimates to Campaign Solutions. By the time final invoices arrived for projects related to these expenditures, they included separate invoices for sub-vendors who provided part of these services to the Committee. Right Country Lists is a sub-vendor of Campaign Solutions. The Committee properly discloses this information in the memo text for both transactions by indicating the expense is to a sub-vendor of the initially reported vendor through the respective transaction IDs.
