In response to the Request for Additional Information dated 9/22/2011, please see below for our complete response.
1. Our committee does have in place a system that meets the best efforts standard established by the Commission. All of our original solicitations have the request for employer and occupation information on them. We inform the potential donor that we are required by federal law to request this information. For the donors that do not provide that information, we automatically send them a written request for it within 30 days. This follow up does not request any additional monies and contains a self addressed envelope and again informs the person of the federal requirement for requesting this information. Finally, we add the new information to our database and include it in amended reports filed with the commission and subsequent reports going forward. 2. Our committee does not have a payroll deduction program in place. As such, all contributions shown on Line 11(a)(i) were reported accurately. Please let us know if you have any further questions. Thanks, Paul Kilgore, Treasurer Madison Project
