As for the 48 hour notice concerning Harlan Crow. This was a data entry error. The check was from his wife Katherine Crow. The error was discovered after filing the 48 report. We are not aware of a procedure to amend a 48 report or we would have done so. That is why Harlan Crow was on the 48 hour report and not on schedule A and why Katherine Crow was on schedule A but not on a 48 hour report.
