Dear Mr. Ciaraldi:

This letter responds to the Federal Election Commission's preliminary review of the above-referenced report dated August 30, 2000 wherein you requested that Schedule A supporting Line 11(a)(i) of the July Monthly Report be amended to more clearly identify each entry identified as "No Job Description". You further requested that Schedule B supporting Line 23 of the report be clarified to properly disclose the election for which the June 19 contribution to the Fletcher campaign was made.

An amended July Monthly Report addressing the concerns set forth in your letter dated August 30th was electronically filed with the Commission on September 14th. As we discussed on the telephone recently, the omission of a job description on Line 11(a)(i) resulted from persons within the company undergoing changes in their job responsibilities for which a new job title had not yet been designated. To avoid this circumstance in the future we will use an employee's previous job title until such time that a new title has been given and entered into the company's human resources information system. The amended July Report has also redesignated the June 19 contribution to the Fletcher campaign that was inadvertently designated for the primary election to the general election

If you have any questions or concerns with our amended report, please let me know immediately; my direct number is (309)-765-5847.

Sincerely,

Taylor S. Davis

AUG 30 2000

Reference: July Monthly Report (6/1/00-6/30/00)

Dear Ms. Vogelgesang:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. The review raised questions concerning certain information contained in the report(s). An itemization follows:

-Commission Regulations require that a committee disclose the identification of all individuals who contribute in excess of $200 in a calendar year. (11 CFR §104.3(a)(4)(i)) Identification for an individual is defined as the full name, mailing address, occupation and name of employer. (11 CFR §100.12) Your report discloses contributions from individuals for which the identification is not complete.

You must provide the missing information, or if you are unable to do so, you must demonstrate that "best efforts" have been used to obtain the information. To establish "best efforts," you must provide the Commission with a detailed description of your procedures for requesting the information. Establishing "best efforts" is a three-fold process.

First, your original solicitation must include a clear and conspicuous request for the contributor information and must inform the contributor of the requirements of federal law for the reporting of such information. (11 CFR §104.7(b)(1))

Second, if the information is not provided, you must make one follow-up, stand alone effort to obtain this information, regardless of whether the

contribution(s) was solicited or not. This effort must occur no later than 30 days after receipt of the contribution and may be in the form of a written request or an oral request documented in writing. (11 CFR § 104.7(b)(2)) The request must:

- clearly ask for the missing information, without soliciting a contribution;
- inform the contributor of the requirements of federal law for the reporting of such information, and
- if the request is written, include a pre-addressed post card or return envelope.

Third, if you receive contributor information after the contribution(s) has been reported, you shall either a) file with your next regularly scheduled report, an amended memo Schedule A listing all the contributions for which additional information was received; or b) file on or before your next regularly scheduled reporting date, amendments to the report(s) originally disclosing the contribution(s). (11 CFR §104.7(b)(4))

Please provide the missing information or a detailed description of your procedures for requesting the information. For more information on demonstrating "best efforts," please refer to the Campaign Guide.

-The identification of each contributor, including an adequate occupation and name of employer for each, must be provided if the person has contributed in excess of $200 in the aggregate during the calendar year. Please amend Schedule A supporting Line 11(a)(i) for each entry inadequately identified as "No Job Description".

-Schedule B supporting Line 23 of your report discloses a contribution(s) to a candidate(s) for the primary election; however, the funds were disbursed after the election date(s) (pertinent portion(s) attached). Please note that contributions may not be designated for an election which has already occurred unless the funds are to be used to reduce a candidate committee's debts incurred during that election campaign. Please clarify the contribution(s) and disclose any redesignations or refunds as necessary on the appropriate schedules.

A written response or an amendment to your original report(s) correcting the above problem(s) should be filed with the Federal Election Commission within fifteen (15) days of the date of this letter. If you need assistance, please feel free to contact me on our toll-free number, (800) 424-9530 (at the prompt press 1, then press 2 to reach the Reports

Analysis Division). My local number is (202) 694-1130.
