FEDERAL ELECTION COMMISSION
WASHINGTON, D.C. 20463

RQ-3

May 29, 2003

Stan Huckaby, Treasurer
National Republican Senatorial Committee
425 Second Street N.E.
Washington, DC 20002

Identification Number: C00027466

Reference: June Monthly Report (5/1/02-5/31/02)

Dear Mr. Huckaby:

On May 7, 2003 you were notified that a review of the above-referenced report(s) raised questions as to specific contributions and/or expenditures, and the reporting of certain information required by the Federal Election Campaign Act.

Your May 7 and May 22, 2003 responses are incomplete because you have not provided all the requested information. For these responses to be considered adequate, the following information is still required.

-Your May 7, 2003 "Best Efforts" amendment still includes additional receipts from individuals that were not disclosed on the original report (pertinent portions attached). You must amend the reports covering the periods during which these contributions were received to disclose the receipts on Schedule A supporting Line 11(a)(i) of the Detailed Summary Page. In addition, any changes to your cash-on-hand totals and/or calendar year-to-date figures should be reflected on the Summary and Detailed Summary Pages.

An adequate response must be received at the Commission by June 18, 2003. Adequate responses received on or before this date will be taken into consideration in determining whether audit action will be initiated. **Requests for extensions for time in which to respond will not be considered.** Failure to provide an adequate response by

this date may result in an audit of the committee. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action.

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended. If you have any questions regarding this matter, please contact Julie Perry on our toll-free number, (800) 424-9530 (at the prompt press 1, then press 2 to reach the Reports Analysis Division), our local number is (202) 694-1130.

Sincerely,

John D. Gibson
Assistant Staff Director
Reports Analysis Division
