RE: 30 Day Post-General Report (10/20/2022 11/28/2022)

Ms. Curran

The Committee is in receipt of the Commissions Request for Additional Information dated February 14, 2023, with a response due date of March 31, 2023. The Committee respectfully submits the following response:

Regarding the excessive contribution by Robert J. Speyer. Mr. Speyers original contribution on September 26, 2022, later resulted in an non-sufficient funds return by the Committees bank on October 5, 2022. Upon further review of the Committees Pre-General Report it was apparent that the NSF refund had not been properly disclosed as an un-itemized negative \$5000.00 was erroneously reported on Line 11(a)(ii). The Committee resolved this disclosure error and has submitted an amended Pre-General Report which now discloses the NSF on Line 28(a) with subsequent details in the report. As such by filing this amendment the Committee is disclosing that Mr. Robert J. Speyer has not exceeded his annual individual contribution limits for 2022 with his subsequent replacement contribution on November 18, 2022.

Thank you and should you have further questions, please dont hesitate to contact the committee.

Sincerely,

Jeremie McCubbin
