Dear Mr. Watson,

In response to your letters regarding our quarterly reports for the 1st 2 quarters of the year of 2000, I have looked up all of the cards that reflect the contributions you have referenced in your letter.

With one exception, I am enclosing copies of the cards that we have on file for each of the entities that you are concerned about. None of these entities are Incorporated. The one exception, Bains Family Farms, which I can't find our card on, is listed in our data base as showing a tax ID# of 68-0234080, so I verified this with our Field Supervisor for this area and we are sure that Bains Family Farms is a partnership and not Incorporated.

I hope that this clears up any of the questions regarding these reports, but if not, please do not hesitate to contact me.

Very truly yours,

Lee McMillon

Reference: July Quarterly Report (4/1/00-6/30/00)

Dear Mr. Hudgins:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. The review raised questions concerning certain information contained in the report(s). An itemization follows:

-Schedule A of your report (pertinent portions attached) discloses an apparent contribution(s) from a corporation(s). 2 U.S.C. §441b(a) prohibits the receipt of contributions from corporations unless made from a separate segregated fund established by the corporation.

If the contribution(s) in question was incompletely or incorrectly disclosed, you should amend your original report with clarifying information. If you have received a corporate contribution(s), you must transfer-out the impermissible funds to an account not used to influence federal elections or refund the full amount to the donor(s) in accordance with 11 CFR §103.3(b). In the best interest of your committee, all transfers-out and refunds should be made within thirty days of the treasurer's receipt of the impermissible funds. In order to protect the donor's interests, the Commission recommends that you inform the contributor(s) in writing to provide the donor(s) with the option of receiving a refund or granting written authorization for a transfer to another account.

Please inform the Commission of your corrective action immediately in writing and provide a photocopy of your check for the transfer-out or refund. In addition, any transfers-out or refunds should be disclosed on

Schedule B supporting Line 22 or 28 of the report covering the period during which the transaction was made.

Although the Commission may take further legal action concerning the acceptance of a prohibited contribution, prompt action by your committee to transfer-out or refund the amount will be taken into consideration.

Any amendment or clarification should be filed with the Federal Election Commission. If you need assistance, please feel free to contact me on our toll-free number, (800) 424-9530 (at the prompt press 1, then press 2 to reach the Reports Analysis Division). My local number is (202) 694-1130.
