Dear Mr. Schilling:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **An adequate response must be received at the Commission by the response date noted above.** An itemization of the information needed follows:

-Schedule A supporting Line 12 discloses a transfer(s)-in from the "RNC." Schedule B supporting Line 30(b) reflects payments for Federal Election Activity. Please be advised that under 11 CFR §300.34, a state, district or local party committee must not use any Federal funds transferred to it from a national party committee or any other State, district or local party committee, as the Federal component of an expenditure or disbursement for Federal Election Activity. Furthermore, your committee must itself raise the Federal component of expenditure or disbursement allocated between Federal and Levin funds.

Please clarify whether the transfer(s)-in was used for the subsequent payments for Federal Election Activity. In addition, please clarify the procedures you are currently using to ensure that Federal funds transferred to your committee from national, state, district and local party committees are not being used for Federal Election Activity.

**Unlike previous election cycles, you will not receive an additional notice from the Commission on this matter.** Adequate responses received on or before this date will be taken into consideration in determining whether audit action will be initiated.

Requests for extensions of time in which to respond will not be considered. Failure to provide an adequate response by this date may result in an audit of the committee. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action.

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended. If you should have any questions regarding this matter or wish to verify the adequacy of your response, please contact me on our toll-free number (800) 424-9530 (at the prompt press 1, then press 2 to reach the Reports Analysis Division) or my local number (202) 694-1135.

Sincerely,
