FEDERAL ELECTION COMMISSION
WASHINGTON, D.C. 20463

RQ-2

Stan Huckaby, Treasurer
National Republican Senatorial
Committee
425 Second Street, NE
Washington, DC 20002

MAY 15 1996

Identification Number: C00027466

Reference: November Monthly Report (10/1/95-10/31/95)

Dear Mr. Huckaby:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. The review raised questions concerning certain information contained in the report(s). An itemization follows:

-Line 11(a)(i) of the Detailed Summary Page of your report discloses a total of $950,375.04 in itemized contributions from individuals. The sum of entries on Schedule A, however, indicates the total to be $946,193.54. This discrepancy appears to be caused by the omission of Page 600 of your Schedule A. Please amend your report by providing the missing Schedule.

-Schedule H2 indicates the allocation ratio for several fundraising events was revised during the reporting period. Please provide the date on which this revision became effective. In the event that an excessive non-federal transfer was received, the excessive amount should be transferred back to your non-federal account.

-Schedule A of your report discloses $8,400 in in-kind contributions to your committee from individuals. Please be advised that in addition to disclosing in-kind contributions as a receipt on Schedule A, the value of the in-kind contributions must be added to the operating expenditures total on Line 21(b), in order to avoid inflating the cash-on-hand amount. 11 CFR §104.13(a)(2) Please amend your report by itemizing the in-kind contributions on Schedule B, supporting Line 21(b) of the Detailed Summary Page.

Celebrating the Commission's 20th Anniversary

YESTERDAY, TODAY AND TOMORROW
DEDICATED TO KEEPING THE PUBLIC INFORMED

-Schedule H3 discloses receipt of $2,194.16 from your non-federal account for a fundraising event(s) which is listed as 100% non-federal on Schedules H2 and H4. A committee is permitted to pay the entire amount of an allocable activity from its federal account and receive a transfer(s) from its non-federal account solely to cover the non-federal share of the allocable expense(s). 11 CFR §106.5(g)(i). However, a 100% non-federal fundraising event does not fall within the definitions of an allocable expense, and constitutes an impermissible transfer of funds received by your federal account from your non-federal account.

The Commission recommends you immediately transfer the total amount received by your federal account back to your non-federal account. Although the Commission may take further legal action concerning this prohibited activity, your prompt action will be taken into consideration.

-Schedule H3 of your report discloses several negative transfers due to revisions in allocation ratios. If these transactions represent transfers from the federal account to the non-federal account for fundraising ratio adjustments, they should be properly reported on Schedule H4, supporting Line 21(a). The date on which the revision became effective should also be disclosed. Please refer to the campaign guide for further assistance.

-Schedule A of your report (pertinent portion(s) attached) discloses a contribution(s) which appears to exceed the limits set forth in the Act. 2 U.S.C. §441a(f) and 11 CFR §110.1(c) preclude a political committee which is established and maintained by a national political party, and any affiliated committees, from accepting contributions from a person or political committee in excess of $20,000 in calendar year.

If the contribution(s) in question was incompletely or incorrectly disclosed, you should amend your original report with the clarifying information. If you have received an excessive contribution(s), you must seek reattribution of the contribution pursuant to 11 CFR §110.1(k), transfer-out the amount in excess of $20,000 to an account not used to influence federal elections or refund the excessive amount to the donor(s) in accordance with 11 CFR §103.3(b). In the best interest

of your committee, all reattributions, transfers-out and refunds should be made within sixty days of the treasurer's receipt of the contribution(s). In order to protect the donor's interests, the Commission recommends that you inform the contributor(s) in writing to provide the donor(s) with the option of granting written authorization for a reattribution or transfer-out to another account or receiving a refund.

Please inform the Commission of your corrective action immediately in writing and provide a photocopy of your check for the transfer-out or refund. In addition, any reattributions should be reported as memo entries on Schedule A of the report covering the period during which the authorization for the reattribution is received. Any transfers-out or refunds should be disclosed on Schedule B supporting Line 22 or 28 of the report covering the period during which the transaction was made.

Although the Commission may take further legal action regarding the acceptance of an excessive contribution(s), prompt action by your committee to seek reattribution, transfer-out or refund the excessive amount will be taken into consideration.

A written response or an amendment to your original report(s) correcting the above problem(s) should be filed with the Federal Election Commission within fifteen (15) days of the date of this letter. If you need assistance, please feel free to contact me on our toll-free number, (800) 424-9530. My local number is (202) 219-3580.

Sincerely,

Jan McBride
