Reference: July Quarterly Report (4/01/00-6/30/00)

Dear Ms. Gagnon:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. The review raised questions concerning certain information contained in the report(s). An itemization follows:

-Schedule A of your report discloses contributions from political committees but fails to include the complete address. Please amend your report to include the missing information. (11 CFR §104.3(a)(4)(iii))

-Schedule A of your report discloses contributions from political committees but fails to include the full and/or recognizable name. Reporting only the name of the connected organization, abbreviating the name of the committee so it is unrecognizable, or using an indistinguishable acronym is inadequate. (11 CFR §102.14(c) and 104.3(a)(4)(ii) A listing of the full FEC-registered committee names and approved acronyms can be found on the FEC web site or can be obtained by contacting the FEC Public Disclosure Division. Please amend your report to include the missing information.

-Schedule A of your report discloses earmarked contributions through a conduit. Please be reminded that when a committee receives an earmarked contribution(s) through an allowable conduit, each individual contribution should be itemized when the individual's total contributions to your committee aggregate over $200 per calendar year. This itemization must include the full name, address, occupation, and employer of the individual contributor along with <u>the date the contribution was received by the conduit.</u>
