Identification Number: C00110478

Reference: Mid-Year Report (1/1/95-6/30/95)

Dear Mr. Hilton:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. The review raised questions concerning certain information contained in the report(s). An itemization follows:

-The beginning cash balance of this report should equal the ending balance of your 1994 Year End Report. Please clarify this discrepancy and amend any subsequent report(s) that may be affected by this correction.

-Your calculations for Lines 6(a) through 8 appear to be incorrect. FEC calculations disclose this amount to be $1,880.51. Please provide the corrected total(s) on the Detailed Summary Page. In addition, please amend all subsequent report(s) which may be affected by this correction.

-In a cover letter attached to your report you disclosed that a stop payment was issued on a 1994 check that was outstanding after six months. You further stated that as a result of this transaction you revised the beginning cash figures for January 1, 1995 even though the check was still outstanding as of March 1995.

Please be advised, contribution checks written to federal and non-federal candidates that are lost, returned uncashed, or outstanding after a long period of time should be reported as negative entries on Schedule B and subtracted from the total amount on Line 23 or 29, respectively. The negative amount(s) should be included in the reporting period the checks are considered lost, returned uncashed, or stopped payments issued. Please refer to the instructions contained on the forms to determine the proper categorization when preparing future filings. In addition, an amendment to your

95039394712

report should be submitted correcting the discrepancy between the ending and beginning cash balances and itemizing the stopped payment as a negative entry on Schedule B for Line 23 of the Detailed Summary Page.

-Schedule B of your report (pertinent portion(s) attached) discloses a contribution(s) which appears to exceed the limits set forth in the Act. 2 U.S.C. §441a(a) precludes a multicandidate committee from making a contribution to a candidate for federal office in excess of $5,000 per election.

If the contribution(s) in question was incompletely or incorrectly disclosed, you should amend your original report with clarifying information. If you have made an excessive contribution, you should notify the recipient and request a refund of the amount in excess of $5,000 and/or notify the recipient in writing of your redesignation of the contribution. In the best interest of your committee, all refunds and redesignations should be made within sixty days of the treasurer's receipt of the contribution(s).

Please inform the Commission of your corrective action immediately in writing and provide a photocopy of the refund request sent to the contributor. In addition, any refunds should be disclosed on Schedule A supporting Line 16 of the report covering the period during which they are received. Any redesignations should be disclosed as memo entries on Schedule B supporting Line 23 of the report covering the period during which the redesignation is made. 11 CFR §110.1(b)

Although the Commission may take further legal action regarding the excessive contribution(s), your prompt action in obtaining a refund and/or redesignating the contribution(s) will be taken into consideration.

-Please amend Schedule B supporting Line 23 by providing the election designation for each contribution made to a federal candidate or political committee. 11 CFR §§104.3(b)(3)(ii) and (v)

A written response or an amendment to your original report(s) correcting the above problem(s) should be filed with the Federal Election Commission within fifteen (15) days of the date of this letter. If you need assistance, please feel free to contact me on
