Dear Mr. Kasper:

Reference: 30 Day Post-General Report (10/19/00-11/27/00)

Dear Mr. Kasper:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. The review raised questions concerning certain information contained in the report(s). An itemization follows:

-Schedule B supporting Line 29 (pertinent portion(s) attached) discloses $4,635.36 in disbursements to "reallocation transfer to pay 50% printing & Postage - Ryan". You are advised that 11 CFR §102.5 prohibits a non-federal account from financing activity in connection with federal elections. Please provide clarifying information regarding these transactions including the date(s) when the original activity was conducted by the non-federal account. In addition, if any of the disbursements disclosed on Schedule B supporting Line 29 were made to influence the election or defeat of specific federal candidates, the disbursements should be allocated accordingly and disclosed as either in-kind contributions on Schedule B supporting Line 23, or as coordinated expenditures on Schedule F supporting Line 25. 11 CFR §§104.3(b)(3) and 106.1

Although the Commission may initiate legal action regarding the activities conducted by your non-federal account, any clarifying information that you can provide will be taken into consideration.

-The totals listed on Lines 11(c), 11(d) and 18, Column B of the Detailed Summary Page(s) appear to be incorrect. Please be advised that you should add the "Calendar Year-to-Date" total from your previous report to the current "Total This Period" figure from Column A to derive the correct

Column B totals. Please amend your report and any subsequent reports that may be affected by this correction.

-Your report discloses an allocated disbursement to "Philippine Weekly" with a federal share of -$5,700.00. Please note that Schedule H4 supporting Line 21(a) of the Detailed Summary Page should only reflect positive outlays of funds. Please amend your report to clarify the nature of this negative figure.

-The Detailed Summary Page, on Line 18 Column A of your report, discloses $2,624,575.72 in transfers from the non-federal account for joint activity for the reporting period. However, Line 21 (a)(ii) Column A discloses $2,177,176.95 as the non-federal share for joint activity for the reporting period. While the non-federal account is permitted to transfer funds to the federal account for shared activity, transfers for shared activity must be made within a 70-day time period: no more than 10 days before or 60 days after the payment to the vendor. 11 CFR §§106.5(g)(2) and 106.6(c)(2) Please clarify the nature of the transfers-in from the non-federal account.

The Commission recommends that you immediately transfer back to the non-federal account, the total excessive amount which was received by your federal account outside the 70-day time period. Although the Commission may take further legal action concerning this prohibited activity, your prompt action will be taken into consideration.

-On Schedule H3 supporting Line 18 of the Detailed Summary Page, you have failed to provide a breakdown of transfers received by the federal account. Please amend your report to include the missing information.

-Schedule H4 of your report discloses payments for "DNC Radio." If this activity represents an offset for the receipt of in-kind services received from the DNC, please be advised that this activity must also be disclosed as a receipt(s).

The receipt of in-kind services should be reported on Schedule A supporting Line 12 of the Detailed Summary Page to properly disclose the federal share of the in-kind services. These receipts should not be aggregated together. Each entry should be itemized separately to disclose the provider of the in-kind services, date of the services, vendor and amount. The receipt of the non-federal share of the in-kind services should

be reported on Schedule H3 and marked as "in-kind." Moreover, each entry should be reported separately to disclose the date and amount.

Please amend your report to properly disclose this activity or provide clarifying information regarding these payments on Schedule H4.

-On Schedule H4 supporting Line 21(a) of the Detailed Summary Page, you have not included the full name and/or mailing address for the vendor(s) listed. Please amend your report accordingly.

-Itemized disbursements must include a brief statement or description of why the disbursements were made. Please amend Schedule(s) H4 of your report to clarify the following description(s): "Consulting", "Broadcasting", "NVRA Application", "Communication", and "Consulting services". For further guidance regarding acceptable purposes of disbursements, please refer to 11 CFR §104.3(b)(3).

-Schedule A supporting Line 11(c) discloses a transfer(s)-in from the Democratic Congressional Campaign Committee and the Democratic National Committee. Schedules B and H4 supporting Lines 21(b) and 21(a) reflect payments for "Signs", "Button", "Group Sign 100% Federal", "Billboards", and "Volunteer Cards". Please be advised that a state or local party committee may pay for campaign materials (such as bumper stickers) that are distributed by volunteers in connection with activity on behalf of the party's nominees in a general election. Payments for this type of activity are exempt from the definition of a contribution or expenditure if certain conditions are met. The conditions are that no public advertising may be used, including distribution by direct mail (mailings by a commercial vendor or from commercial lists); all funds used for the activity must be permitted under the Act; none of the funds used may have been designated for a particular candidate; and finally, payments for the activity may not be made from transfers-in from the national committee to specifically fund the activity. For further guidance, please refer to 11 CFR §100.7(b)(15) and (17) and to the Campaign Guide for Party Committees.

Please clarify the nature of the transfer(s)-in and subsequent payments for the aforementioned disbursement(s). If the activity disclosed on your report does not meet the definition of "exempt" activity as described above and if any portion of the expenditures were made on behalf of specifically identified candidates, that amount must be disclosed on Schedule B or F supporting Line 23 or 25 of the Detailed Summary Page as appropriate

-Please clarify all expenditures made for "Production", "Radio", "Advertisement", "Media", "Voter File - 100% Federal - Lauren Beth Gash", and "Mail Consultant - GASH" on Schedule(s) B and H4. If a portion or all of these expenditures were made on behalf of specifically identified federal candidates, this amount should be disclosed on Schedules B, E or F supporting Lines 23, 24 or 25 and include the amount, name, address and office sought by each candidate. 11 CFR §§104.3(b) and 106.1

-Please clarify all expenditures for "voter registration" and "get-out-the-vote". In addition, if any of the voter registration or get-out-the-vote activities referenced House or Senate candidates, they should be allocated accordingly, unless merely incidental to the overall activity. If a portion or all of these expenditures were made on behalf of federal candidates, they should be reported on Schedules B, E or F for Lines 23, 24 or 25 of the Detailed Summary Page, as appropriate.

-Schedule H4 discloses disbursements for DC Event, Printing FR event, Decatur Event, Event date 10/12/00, and Metro East Reception which are categorized as fundraising; however, Schedule H2 does not include the allocation ratios for this activity. Please amend Schedule H2 to disclose the omitted ratios.

-Schedule H4 of your report discloses lump sum payments to "Election Day Withdrawal" for payroll purposes; however, you have not itemized the individuals who receive payment. Each person who provided services to the committee must be identified if the payments made through the payroll account to the ultimate payee exceed $200 in a calendar year. Please amend your report by providing the name, date, amount, and purpose for such payments as required by 11 CFR §102.9(b)(2)(i)(A).

-Schedule A of your report (pertinent portion(s) attached) discloses a contribution(s) which appears to exceed the limits set forth in the Act. 2 U.S.C. §441a(f) and 11 CFR §110.1(d) preclude a committee and its affiliates from receiving contributions from another political committee or person in excess of $5,000 per calendar year.

If the contribution(s) in question was incompletely or incorrectly disclosed, you should amend your original report with the clarifying information. If the contribution(s) you received exceeded the limits, you must seek reattribution of the contribution pursuant to 11 CFR §110.1(k), transfer-out the amount in excess of $5,000 to an account not used to influence federal

elections or refund the excessive amount to the donor(s) in accordance with 11 CFR §103.3(b). In the best interest of your committee, all reattributions, transfers-out, and refunds should be made within sixty days of the treasurer's receipt of the contribution(s). In order to protect the donor's interests, the Commission recommends that you inform the contributor(s) in writing to provide the donor(s) with the option of granting written authorization for a reattribution or transfer-out to another account or receiving a refund.

Please inform the Commission of your corrective action immediately in writing and provide a photocopy of your check for the transfer-out or refund. In addition, any reattributions should be reported as memo entries on Schedule A of the report covering the period during which the authorization for the reattribution is received. Any transfers-out or refunds should be disclosed on Schedule B supporting Line 22 or 28 of the report during which the transaction was made.

Although the Commission may take further legal action regarding the acceptance of an excessive contribution(s), prompt action by your committee to seek reattribution, transfer-out or refund the excessive amount will be taken into consideration.

-Your report disclosed certain categories of financial activity that have been reflected on the wrong lines of the Detailed Summary Page. Event refunds should be properly disclosed on a separate Schedule(s) A, supporting Line(s) 15 of the Detailed Summary Page. Please refer to the instructions contained on the forms to determine the proper categorization when preparing your next filing.

-You have received contributions from numerous entities, which appear to be unincorporated proprietorships or partnerships. Generally, these types of contributions are to be attributed to each person based on their percentage of ownership in the firm. Each person who has contributed in excess of $200 since January 1 should be identified by name, address, occupation, name of employer, amount of contribution, and aggregate total on Schedule A. This information should be disclosed in the form of memo entries beneath an entry showing the total contributed by the firm, along with the address of the firm (sample information attached). 11 CFR §110.1(k)

A written response or an amendment to your original report(s) correcting the above problem(s) should be filed with the Federal Election Commission within fifteen (15) days

of the date of this letter. If you need assistance, please feel free to contact me on our toll-free number, (800) 424-9530 (at the prompt press 1, then press 2 to reach the Reports Analysis Division). My local number is (202) 694-1130.

5. Reporting Partnership Contributions

Included In Total Figure

Partnership contributions are included in the total figure reported for "contributions from individuals/persons other than political committees" on the Detailed Summary Page of Form 3X.

Itemization

If a partnership contribution exceeds $200 or aggregates over $200 during a calendar year, the committee must itemize the contribution on a Schedule A used for "Contributions from Individuals/Persons Other Than Political Committees" (Line 11a(i)).

Additionally, if an individual partner's share of the contribution exceeds $200 when combined with other contributions received from that partner in the same calendar year, the committee must disclose, as a *memo entry*, itemized information on the partner (name, address, occupation, date contribution received, partner's share of contribution and aggregate year-to-date total of contributions made by that partner). 104.8 and 110.1(e).

In-Kind Contributions

A committee reports the value of an *in-kind contribution* from a partnership in the same way it reports a monetary contribution. In addition, as with all in-kind contributions, the committee must report the value of the in-kind contribution as an operating expenditure. Moreover, an in-kind contribution itemized on Schedule A must also be itemized on a Schedule B for operating expenditures. 104.13 and 110.1(e). (See page 31.) However, any information about a partner itemized as a *memo entry* on Schedule A does not have to be reported on Schedule B.

6. Partnership Contribution Plans

In several *advisory opinions (AOs)*, the Commission has said that a partnership may set up an internal plan to facilitate contributions from individual partners or the partnership as a whole to *candidates* or *political committees* (other than a non-connected committee sponsored by the firm—see below). Incidental expenses incurred to administer such plans do not trigger a requirement, on the part of the firm, to register as a political committee. See AOs 1984-15, 1982-13, 1981-50 and 1980-72 for more information.

7. Partnership PACs

A partnership may form its own *political committee* (a *nonconnected committee*) which, in turn, may make contributions to a party committee, subject to the $5,000 per year limit. In this case, any administrative and solicitation costs paid by the partnership on behalf of its committee count as in-kind contributions to the committee.
