Dear Friends:

Thank you for your generous support of Boozman for Arkansas.

As you may know, the strict federal regulations of the Federal Election Campaign Act govern contributions to all federal committees. You recently made a donation of \$2,400, check #1045, payable to Boozman for Arkansas. We allocated that money to the General Election because we were past the Primary Election date in Arkansas. We understand that your PAC designated the contribution for the Primnry Election, but we are writing to inform you that we deposited in our General Election fund as allowable by the FEC.

If you have any questions call (703) 650-5624. Once again, thank you for your support.

Sincerely,

Sal Purpura
Comptroller

To Whom It May Concern,

On behalf of the Pat Toomey for Senate Committee, our sincere thanks for your recent \$2400 contribution, received on June 29th 2010.

The strict regulations of the Federal Election Campaign Act stipulate that contributions designated for, but made after the primary, are acceptable only to the extent the campaign has net debts outstanding for the primary on the date of receipt. The Pennsylvania primary was held on May 18th. Our committee did not have any outstanding debts on that date and we are therefore required to seek a redesignation of this contribution to the General Election. We ask that you please complete the attached form and return it to this office by mail or fax.

If you do not wish to redesignate your contribution to the General Election we will refund the \$2400 to you. Federal election law requires an answer within 60 days.

Thanks again for your generous support of Pat Toomey.

Very truly yours,

Susan Zimskind
Assistant Treasurer

Response Due Date:
October 1, 2010

Identification Number: C00471599

Reference: July Monthly Report (6/1/10-6/30/10)

Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following item:

-Schedule B supporting Line 23 of your report discloses one or more contributions to a candidate(s) for the 2010 primary election; however, the funds were disbursed after the election date(s) (see attached). Please note that contributions may not be designated for an election which has already occurred unless the funds are to be used to reduce a candidate committee's debts incurred during that election campaign.

If any apparently impermissible contribution in question was incompletely or incorrectly disclosed, you should amend your original report with clarifying information. If the contribution(s) in question should have been designated for debt retirement, you should amend your report to indicate "debt retirement," along with the year of election.

If you have made an impermissible contribution, you must request a refund or provide a written authorization for a redesignation of the contribution pursuant to 11 CFR §110.2(b) within 60 days of the treasurer's receipt.

If the foregoing conditions for redesignations were not met within 60 days of the treasurer's receipt, your committee must obtain a refund.

10030432017

Please inform the Commission of your corrective action promptly in writing and provide a photocopy of the refund or redesignation request sent to the recipient committee(s). In addition, any refunds should be disclosed on Schedule A supporting Line 16 of the report covering the period during which they are received. Any redesignations should be disclosed as memo entries on Schedule B supporting Line 23 of the report covering the period during which the redesignation is made. 11 CFR §110.1(b)

Although the Commission may take further legal action regarding this impermissible activity, your prompt action in obtaining a refund and/or redesignating the contribution(s) will be taken into consideration.

Please note, you will not receive an additional notice from the Commission on this matter. Adequate responses must be received by the Commission on or before the due date noted above to be taken into consideration in determining whether audit action will be initiated. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action. **Requests for extensions of time in which to respond will not be considered.**

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended. If you should have any questions regarding this matter or wish to verify the adequacy of your response, please contact me on our toll-free number (800) 424-9530 (at the prompt press 5 to reach the Reports Analysis Division) or my local number (202) 694-1140.
