Re: 24-Hour Notification Report, Received 10/01/2014 and 24-Hour Notification Report, Received 10/09/2014

This memo is to respond to your letters dated October 15, 2014 and October 20, 2014.

On our October 1st 24-Hour Notification, we inadvertently reported Barbara Comstock's district as VA-34, however, this district should be VA-10.

Additionally, on our October 9th 24-Hour Notification, we inadvertently reported the state for Mitch McConnell as Kansas. This should have been Kentucky.

Please feel free to contact us with any additional questions.

Thank you.
