

RE: October Quarterly Report (7/1/06-9/30/06). In your letter dated May 4, 2007 regarding this report, you state that Schedule A supporting Line 15 discloses an offset to an operating expenditure in the amount of \$1,131.60. Due to inadvertent administrative oversight the committee will re-pay Coleman for Senate 08 in the amount of \$1,131.60 and the transaction will appear on the next report. Your letter also requests additional information regarding disbursements itemized on Schedule B. Please note that the expenditures for "fundraising meeting", "direct mail", "polling expense" and "postage" were for PAC fundraising meetings, PAC direct mail, PAC polling expenses and PAC postage. Therefore, no amended report is necessary.
