Dear Mr. Anderson:

This letter is to inform you that as of February 21, 2001, the Commission has not received your response to our request for additional information, dated January 30, 2001. This notice requests information essential to full public disclosure of your federal election campaign finances. JAN 30 2001

Identification Number: C00345546

Reference: 30 Day Post-General Report (10/19/00-11/27/00)

Dear Mr. Anderson:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. The review raised questions concerning certain information contained in the report(s). An itemization follows:

-Please provide a Schedule A to support the total amount reported on Line 11(c) of the Detailed Summary Page. All committees which make contributions to your committee must be itemized on Schedule A, regardless of the amount contributed. (11 CFR §104.3(a)(4)(ii))

-Your committee filed 48 hour notices reporting the following "last minute" contributions:

Contributor	Date	Amount
Gao Hong	10/25/00	$1,000
Rita Rosen	10/25/00	$1,000
Herbert Rosen	10/25/00	$1,000

These contributions do not appear on Schedule A of this report. Please amend your report to include these contributions or provide an explanation of these apparent discrepancies.

-Please provide a Schedule B to support the amount reported on Line 19(a), Column A, of the Detailed Summary Page. Each loan payment made by the

committee must be itemized on a supporting Schedule B, regardless of the amount of the payment. (11 CFR §104.3(b)(4)(iii) and (iv))

-Please provide a Schedule C and/or Schedule D to support the amount reported on Line 9 of the Detailed Summary Page.

-Schedule D of your report itemizes debts with outstanding beginning balances; however, these debts were not included on your previous report. Please refer to Section 104.11(b) of the FEC Regulations and file an amendment to your report(s).

-On Schedule B of your report, you have itemized disbursements for which you have failed to include the mailing address. Please amend your report to include the missing information. (11 CFR §104.3(b)(4))

-Schedule A of your report discloses a contribution(s) which appears to exceed the limits set forth in the Act (copies attached). You should examine all of your contributions to check for additional excessives. The Committee's procedures for processing contributions should also be reviewed.

An individual or a political committee other than a qualified multicandidate committee may not make a contribution to a candidate for federal office in excess of $1,000 per election. A qualified multicandidate committee and all affiliated committees may not make a contribution(s) to a candidate for federal office in excess of $5,000 per election. The term "contribution"

includes any gift, subscription, loan, advance, or deposit of money or anything of value made by any person for the purpose of influencing any election for federal office. (2 U.S.C. §441a(a) and (f); 11 CFR §110.1(b), (e) and (k))

If the contribution(s) in question was not completely or correctly reported, you should amend your original report using the new or corrected information. If the contribution(s) exceeds the limits, you should either refund to the donor the amount in excess of $1,000 or request a written redesignation and/or reattribution of the contribution(s) from the donor. All

refunds, redesignations, and reattributions must be made within sixty days of receipt of the contribution. Copies of refund checks and copies of letters reattributing or redesignating the contributions in question may be used to respond to this letter. Refunds are reported on Line 20 of the Detailed Summary Page and on a supporting Schedule B of the report covering the period in which they are made. Redesignations and reattributions are reported as memo entries on Schedule A of the report covering the period in which the authorization for the redesignation and/or reattribution is received. (11 CFR §104.8(d)(2), (3) and (4))

The acceptance of excessive contributions is a serious problem. Again, the committee's procedures for processing contributions should be examined and corrected in order to avoid this problem. Although the Commission may take further legal action, prompt action by you to refund or seek redesignation and/or reattribution of the excessive amount will be considered.

-Schedule A of your report indicates that your committee may have failed to file one or more of the required 48 hour notices regarding "last minute" contributions received by your committee after the close of books for the 12 Day Pre-General report (10/01/00-10/18/00). A principal campaign committee must notify the Commission, in writing, within 48 hours of any contribution of $1,000 or more received between two and twenty days before an election. These contributions are then reported on the next report required to be filed by the committee. To ensure that the Commission is notified of last minute contributions of $1,000 or more to your campaign, it is recommended that you review your procedures for checking contributions received during the aforementioned time period. Although the Commission may take legal action, any response you wish to provide concerning this matter will be considered. (11 CFR §104.5(f))

A written response or an amendment to your original report(s) correcting the above problem(s) should be filed with the Federal Election Commission within fifteen (15) days of the date of this letter. If you need assistance, please feel free to contact me on our toll-free number, (800) 424-9530 (at the prompt press 1, then press 2 to reach the Reports Analysis Division). My local number is (202) 694-1130.

Sincerely,

Christopher Yates
