9 January 2013

Mr. David Butler  
Senior Campaign Finance Analyst  
Reports Analysis Division

Dear Mr. Butler,

Thank you for your Request for Additional Information dated 13 December 2013 regarding our 2013 July Monthly report covering (6/1/2013 - 6/30/2013).

Regarding Item 1 - The beginning cash balance not equaling the ending balance of the June report: This was due to some transactions being entered on line 6 by mistake. These transactions have been corrected to be reported on the correct line and an amended report has been prepared.

While researching the response to your request we also discovered a few other transactions in previous and subsequent reports that were incorrectly reported. We are in the process of correcting those earlier reports and will be filing those amendments prior to filing this amended report. These amendments will all be filed before the January 31, 2014, deadline for the current report.

Please let me know if there are any other questions or you require more information.

Allan W. Rupp  
Treasurer  
Fairfax County Republican Committee
