Reference: Mid-Year Report (01/01/97 - 06/30/97)

Dear Ms. Wilkens:

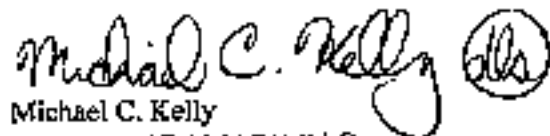

The following is in response to the Commission's preliminary review of the above referenced report:

Schedule B supporting Line 23 disclosed a contribution to a candidate for the 1996 general election; however, the funds were disbursed after the election date. Our explanation for this is that the contribution was made with the understanding that the funds received were to be used to eliminate the debt from Senator Harkin's 1996 re-election campaign.

Schedule B supporting Line 23 disclosed contributions to federal candidates for which no election designation had been provided. For future reporting purposes, we will make every effort to designate the appropriate election. As for the contributions made to Hansel, Nickles, and Rangel, it is agreeable with us to have the contributions attributed to the next upcoming election for the recipient candidates. We do not anticipate any dollar limitations will be exceeded to any of these candidates individually.

If you have any questions, please feel free to contact me at the above number.

Sincerely yours,

 (Signature)

Michael C. Kelly
Treasurer, ARAMARK PAC
