The American Freedom Fund (FEC ID: C00736744) received a request for additional information (RAI) regarding its 12-Day Pre-General Report covering 10/01/2020 – 10/14/2020. The request is specific to the Committee possibly missing a 48-Hour Report for Independent Expenditures. The RFAI states an expenditure was reported on Schedule E of the 12-Day Pre-General

Report which should have also been reported on a 48-Hour Report. The Committee misunderstood the additional 48-Hour Report was required even with the expenditure having been reported on the 12-Day Pre-General Report within the 48-hour window. The 48-Hour Report has now been electronically filed and the Committee understands the 48-Hour Report rules and reporting responsibility. The Committee has installed procedures to ensure additional reports are not missed.

Additionally, The American Freedom Fund (FEC ID: C00736744) received a request for additional information (RAI) regarding the 30-Day Post-General Report covering 10/15/2020 – 11/23/2020. The RFAI states the 30-Day Post General Report was filed on Form 3 as opposed to Form 3X. The Report has now been electronically filed on Form 3X. The information on the timely filing using Form 3 matches the activity now filed on Form 3X. The Committee began using new, third-party filing software and inadvertently chose the wrong form to submit. We appreciate you bringing this to our attention so we could resubmit on the proper form.
