Please note that the PAC is aware that we follow an alternate method of itemizing payroll receipts rather than the suggested manner of disclosing a single total for the reporting period along with the amount deducted per pay period. Because the amounts collected per pay period may change often during the time covered by a single report, we find that reporting individual deductions separately more accurately discloses how the receipts are collected.

This amendment corrects the amount of the contribution to Edward Rendell for Governor on page 516. There are no other changes to this report outside the resulting corrections to the appropriate figures on the Summary and Detailed Summary Pages.
