Except as specifically identified, no expenditure was made on behalf of a specifically identified federal candidate, and no expenditure was for a public communication that referred to a clearly identified candidate for Federal office and that promoted, supported, attacked or opposed any such candidate for Federal office. Except as specifically identified, no expenditure was for a public communication or voter drive activity containing express advocacy or that referred to a clearly identified candidate for Federal office and that promoted, supported, attacked or opposed any such candidate for Federal office. The payments disclosed on Schedule B for Line 21(b) for fundraising activities did not constitute public communications that referred to a clearly identified candidate for Federal office and that promoted, supported, attacked or opposed any such candidate for Federal office. While these disbursements were eligible for allocation using the funds-received method, the Committee elected to pay these expenses with 100% federal funds. Payments for salaries and related fringe benefits disclosed on Schedule H4 are for employees who spent less than 25% of their time engaged in activities in connection to any federal election. The copier lease refund represents the negotiated restructure of the prior lease. The new vendor reimbursed the early termination costs which included payments the Committee made to the prior vendor throughout the current reporting period. The amount refunded does not exceed payments made to the prior vendor for the same purpose during the reporting period. Additionally, the Committee engaged in due diligence to insure that this transaction was ordinary and routine for the vendor. No part of the transactions constitutes an impermissible contribution to the Committee.
