Reference: Year End Report (7/1/01-12/31/01)

Dear Mr. Anderson:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. The review raised questions concerning certain information contained in the report(s). An itemization follows:

-The Detailed Summary Page, on Line 18 Column A of your report, discloses \$646,376.93 in transfers from the non-federal account for joint activity for the reporting period. However, Line 21 (a)(ii) Column A discloses \$575,979.98 as the non-federal share for joint activity for the reporting period. While the non-federal account is permitted to transfer funds to the federal account for shared activity, transfers for shared activity must be made within a 70-day time period: no more than 10 days before or 60 days after the payment to the vendor. 11 CFR §§106.5(g)(2) and 106.6(e)(2) Please clarify the nature of the transfers-in from the non-federal account.

The Commission recommends that you immediately transfer back to the non-federal account, the total excessive amount which was received by your federal account outside the 70-day time period. Although the Commission may take further legal action concerning this prohibited activity, your prompt action will be taken into consideration.

-Schedule A of your report discloses receipts totaling \$55,968.33 and \$10,042.45 in unitemized memo transfer-in from the Democratic National Committee/State Party Democratic Fund, which is a joint fundraising committee affiliated with your committee. The sum of the entries itemized on the memo Schedule A, however, total only \$1,349.

Please be advised that a memo Schedule A must be provided to itemize your committee's share of the gross contributions received through the joint fundraiser. The memo schedule should itemize each individual who has contributed an aggregate in excess of \$200 during the calendar year, and provide the amount of unitemized contributions received. In addition, the memo schedule should itemize your committee's share of all contributions from political committees, regardless of amount. 11 CFR §102.17(c)(8)(i)(B) Please clarify this discrepancy.

-You have received a contribution from Stokes, Lazarus & Carmichael, LLP, which appears to be an unincorporated proprietorship or partnership. Generally, these types of contributions are to be attributed to each person based on their percentage of ownership in the firm. Each person who has contributed in excess of \$200 since January 1 should be identified by name, address, occupation, name of employer, amount of contribution, and aggregate total on Schedule A. 11 CFR §110.1(k) Please amend your report by providing the omitted information.

A response or amendment to your original report(s) correcting the above problem(s) should be filed with the Federal Election Commission within fifteen (15) days of the date of this letter. Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended. If you need assistance, please feel free to contact me on our toll-free number, (800) 424-9530 (at the prompt press 1, then press 2 to reach the Reports Analysis Division).
