With regard to the usual and normal charge for fees received from a federal candidate on Schedule A supporting Line 15, the RNC charges fair market value for services it provides. Prices are intended to recover the cost for providing the service. Services which we typically provide include but are note limited to 'Studio Time', 'Video Services', etc. The services reported on this schedule for which the RNC received payment were not services of a nature which is unique to the RNC. Services of this type are common in the business community and as such, the RNC compares and sets the price charged to prices available from other commercial sources.
