RE: RESOLUTION OF ILLEGAL CONTRIBUTIONS TO AED PAC (FEC ID C000010124)

Dear Madam or Sir:

The October 15, 2008 (Q3) Quarterly Report for the Associated Equipment Distributors Political Action Committee (AED PAC) reflects illegal contributions received by AED PAC on Sept. 18, 23, and 25, 2008.

Due to a bank error, five credit charges, totaling \$1,450, intended for another organization were mistakenly deposited in the AED PAC bank account. The improper deposits were discovered on Oct. 6 while we were reviewing AED PAC bank statements in preparation for the Q3 Report.

The illegal contributions were returned on Oct. 10 (four days after discovery) by refunding the credit cards of the prohibited sources. The return of the contributions and refund of credit card fees in connection with the charges will be reflected on our Pre-General Election Report later this month.

If you have any questions about this matter, please do not hesitate to contact me.

Sincerely,

Christian A. Klein
Assistant Treasurer
