FEC FORM 3X
(Rev. 12/2004)

FE6AN026

A. Form/Schedule : **F3XA**
Transaction ID :

Regarding negative receipts listed on line 11(a)(i) with the description of 'ACH Return', these are interbank clearing of electronic payments processed by the Automated Clearing House (ACH) network of participating banks and the Federal Reserve. These are returns of contributions by individuals which have been deducted from our credit card merchant account or bank account by the credit card company or bank.

A. Form/Schedule : **F3XA**
Transaction ID :

Regarding Best Effort Memos listed on line 11(a)(i) that indicate Occupation as 'Not Specified', these records are amended because we received a response to our request for completed donor information that did not include occupation information.

08 20 2010

A. Form/Schedule : **F3XA**
Transaction ID :

Concerning any donors shown on line 11(a)(i) for whom Occupation or Employer are not listed, the Republican National Committee has requested this information in the initial contribution solicitation and has made a second request in a separate mailing enclosing a self-addressed postage-paid envelope in compliance with the FEC's Best Efforts regulation 11cfr 104.7(b). The Republican National Committee will amend the report if any of the requested information is received.

A. Form/Schedule : **F3XA**
Transaction ID :

Regarding 'Asset Sales' reported on Schedule A supporting Line 15 of our report, occasionally the RNC has used office equipment that we need to dispose of. This equipment may be sold in bulk to a commercial liquidation business or piece by piece to individuals. When this is done, these items are reported as 'asset sale' and the price charged is such that they in no way constitute a political contribution. The used assets liquidated by sale to individuals or businesses are reported as 'Asset Sale' and are priced at fair market value. These items sold by the RNC are not unique to our business, they are common items found in most business, such as computers and cell phones. As such, the market price for these items are determined by referring to internet auction sites or checking replacement values from retail sources.

A. Form/Schedule : **F3XA**
Transaction ID :

With regard to the usual and normal charge for fees received from a federal candidate on Schedule A supporting Line 15, the RNC charges fair market value for services it provides. Prices are intended to recover the cost for providing the service. The services reported on this schedule for which the RNC received payment were not services of a nature which is unique to the RNC. Services of this type are common in the business community and as such, the RNC compares and sets the price charged to prices available from other commercial sources.

A. Form/Schedule : **F3XA**
Transaction ID :

All expenditures listed on Line 21 for Advertising, Cable Services, Catering/Food & Beverage, Data Services, Mail Production, Media Services, Phone Services, Photography Services, Printing Services, Promotional Materials, Research Services, Revenue Processing Services, Satellite Services, Survey Research, Telemarketing and Venue Rental are RNC operating costs. None of these expenditures are Candidate-specific. Further, no media-related expenditures listed on Line 21 are intended for or directed by a specific candidate; they are either generic overhead costs or RNC fundraising costs.

A. Form/Schedule : **F3XA**

Transaction ID :

Payments to another political committee disclosed on Schedule B supporting Line 21(b) are not contributions. They are payments for goods and services received at usual and normal rates. With regard to the usual and normal rates, we are assured the fee is a commercially reasonable rate because we regularly obtain similar products from a variety of sources both political and commercial.
