A. Form/Schedule : **F3XA**

America's Foundation received payments for list rental services, and these payments did not exceed the usual and normal charge for these services. We assessed the usual and normal charge for these services by comparing the amounts received to previous amounts America's Foundation has either researched, or been charged to purchase or rent lists from list brokerage firms the PAC has used. All of the expenditures listed on Schedule B, Line 21(b) were PAC expenses and none of these expenditures were for public communications or voter drive activity that contained express advocacy of a clearly identified federal candidate. We are filing this Amended Report in response to the Request For Additional Information dated April 14, 2010. Please note that we have provided additional information in this amended report for many of the donors that were originally missing information. In addition, our best efforts procedures for obtaining the required information are as follows: (1) our solicitations for contributions contain a clear and conspicuous request for the required information and the solicitations inform the contributor that this information is required to be reported under federal law, (2) a follow up letter is sent within 30 days of receipt if the required information was not provided, and (3) the committee will either file amended reports, or will report memo entries on the next report if it receives the information after the filing of the previous report.
