Re: Friends of Jack Kingston
FEC Form 3 - Amended Report of Receipts and Disbursements
October Quarterly Report (07/01/2013 - 09/30/2013)

Dear Sir or Madam:

Enclosed is the referenced amended October 2013 Quarterly FEC report, submitted via UPS on March 3, 2014 using an online tracking system. This amendment is filed in response to a recent notice dated February 3, 2014, copy enclosed, from the FEC requesting additional disclosures.

The following are explanations of the contributions questioned as excessive, prohibited, and impermissible as listed in the attachment to the recent notice. Please find enclosed a copy of supporting documents of the corrective action taken. We acknowledge the responsibility of excessive contributions rest on our shoulders, and blame cannot be passed to others. We recently experienced duplication of contributors in our reporting software, and have since taken corrective actions to prevent these incidents from occurring again. We believe the Campaign has used best efforts to comply with FEC guidelines, and we appreciate the Commission's assistance and opportunity to take corrective actions.

In reference to items #5 and 6 of the recent notice, the amended report now shows additional detail and descriptions of itemized and petty cash disbursements.

Contributions from Possible Prohibited Entities

- Check #6662 was delivered on October 14, 2013 to refund the September 16, 2013 contribution from Steve Wansley & Assoc. as we were unable to determine the structure of the entity within thirty days of receipt. This refund was reported on the year-end report submitted via UPS on January 30, 2014.

- Contributions from Pine Acre Farm Unit on July 22, 2013 and September 26, 2013 were appropriately allocated to the pass through entity's owner, Mr. John Earl Strickland, Jr. on the third quarter report. The amended report reflects an updated description to indicate the business structure.

Excessive Contributions from Individuals

- Check #6661 was delivered on October 14, 2013 to refund the excessive contribution received from W. A. Crider, Jr. This refund was reported on the year-end report submitted via UPS on January 30, 2014.

Excessive Contributions from Committees

- Check #6808 was delivered on February 12, 2014 to refund the excessive contribution received from American Veterinary Medical Association. The excessive contribution was inadvertently accepted on August 5, 2013. Upon notification of the excessive contribution, we have refunded the contribution which will be reported on the 1st quarter report due April 15, 2014.

- Check #6809 was delivered on February 12, 2014 to refund the excessive contribution received from SunTrust Good Government Group. The excessive contribution was inadvertently accepted on August 2, 2013. Upon notification of the excessive contribution, we have refunded the contribution which will be reported on the 1st quarter report due April 15, 2014.

Excessive Contributions from Committees not Qualified for Multi-Candidate Status

- We believe the contributions from the Rayioner Inc. Good Government Committee are not excessive due to the Committee achieving Qualified Multi-Candidate Status between the dates contributed. The Committee filed Form 1M - Notification of Multi-Candidate Status on June 5, 2013. Friends of Jack Kingston received contributions from the Committee on the following dates: $2,500 on February 27, 2013, $1,000 on September 24, 2013, and $500 on September 25, 2013. Therefore, the amount exceeding $2,600 was received after the Committee achieved Qualified Multi-Candidate Status. We have enclosed communications from the Rayonier PAC's staff confirming the Qualified Multi-Candidate Status.

Contributions from Unregistered Organizations

- The Committee's staff has confirmed that each unregistered organization contributed Federally Permissible Funds. Documentation of the inquiries can be made available upon request.

The amended report also reflects a change related to a contribution received from the Pistachio Farmers of America PAC on September 9, 2013 in the amount of $3,000. Upon our request to redesignate the excessive contribution, we were notified the Pistachio Farmers of

14020162942

America PAC is a Qualified Multi-Candidate Committee. Therefore, we have updated the report to remove the redesignation as the total contributions of $3,000 is under the allowable $5,000 threshold for Qualified Multi-Candidate Committees.

If you have any questions, please don't hesitate to call me at (912) 234-8243. We thank you in advance for your time and consideration.

Sincerely,

Stephen S. Leonard, CPA

WASHINGTON, D.C. 20463

February 3, 2014

JOHN H. HASLAM JR., TREASURER
FRIENDS OF JACK KINGSTON
PO BOX 2133
SAVANNAH, GA 31402

Response Due Date
03/10/2014

IDENTIFICATION NUMBER: C00544676

REFERENCE: OCTOBER QUARTERLY REPORT (07/01/2013 - 09/30/2013)

Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **An adequate response must be received at the Senate Public Records Office by the response date noted above. Failure to adequately respond by the response date noted above could result in an audit or enforcement action**. Additional information is needed for the following 6 item(s):

1. Schedule A of your report discloses one or more contributions that appear to be from a corporation(s) and/or labor organization(s) (see attached). 2 U.S.C. § 441b(a) and 11 CFR § 103.3(b) prohibit the receipt of contributions from corporations and labor organizations unless made from separate segregated funds established by the corporations and labor organizations. The Commission notes your additional explanation regarding the committee's corrective action taken for some of these contributions.

If any apparently prohibited contribution in question was incompletely or incorrectly disclosed, you must amend your original report with clarifying information.

If you have received prohibited contributions, you must make a refund within 30 days of the treasurer becoming aware of the illegality of the contribution. (11 CFR § 103.3(b)(1) and (2))

If you have not already done so, please inform the Commission of your corrective action immediately in writing and provide a photocopy of any refund checks. Refunds must be reported on a Schedule B supporting Line 20(a) of the report covering the period in which the refund is made. (11 CFR § 104.8(d)(4))

14020163406

Although the Commission may take further legal action concerning the acceptance of prohibited contributions, your prompt action to refund the prohibited amount will be taken into consideration.

2. Schedule A of your report discloses one or more contributions that appear to exceed the limits set forth in the Act (see attached). The Commission notes your additional explanation regarding the committee's corrective action taken for some of these contributions.

An individual or a political committee other than an authorized committee or a qualified multi-candidate committee may not make a contribution(s) to a candidate for federal office in excess of $2,600 per election. An authorized committee may not make a contribution(s) to a candidate for federal office in excess of $2,000 per election. A qualified multi-candidate committee and all affiliated committees may not make a contribution(s) to a candidate for federal office in excess of $5,000 per election. The term "contribution" includes any gift, subscription, loan, advance, or deposit of money or anything of value made by any person for the purpose of influencing any election for federal office. (2 U.S.C. § 441a(a) and (f); 11 CFR §§ 110.1(b), (e) and (k), and 102.13(c))

If any apparently excessive contribution in question was incompletely or incorrectly disclosed, you must amend your original report with clarifying information.

Please be reminded that all refunds, redesignations and reattributions must be made within 60 days of receipt of the contribution. To date, one or more of the apparent excessive contributions have not been refunded, redesignated, or reattributed.

For reattributions, the funds can be retained if, within 60 days of receipt, the excessive amount was properly reattributed to another person. An excessive contribution is considered properly reattributed if (1) the contributors provide the committee with written documentation, signed by each contributor, authorizing a reattribution and indicating the amount of the contribution to be attributed to each contributor; or (2) the committee reattributes by presumption the excessive portion of the contribution if the contribution was made on a written instrument from a joint account and was signed by only one of the account holders. In this case, the treasurer must notify the contributors in writing within 60 days of receiving the contribution that the committee intends to reattribute the excessive portion and must give the contributor who signed

14020163407

Image# 14330042752

the check an opportunity to request a refund. (11 CFR § 110.1(k)(3)(ii)(B))

For redesignations, the funds can be retained if, within 60 days of receipt, the excessive amount was properly designated for a different election. An excessive contribution is considered properly redesignated if (1) the committee obtains signed written documentation from the contributor(s) authorizing the redesignation of the contribution for another election, provided that the new designation does not exceed the limitations on contributions made with respect to that election; or (2) the committee redesignates by presumption the excessive portion of the contribution for another election, provided that the new designation does not exceed the limitations on contributions made with respect to that election. In this case, the treasurer must notify the contributor of the redesignation in writing within 60 days of the treasurer's receipt of the contribution. The notification must give the contributor an opportunity to request a refund. (11 CFR § 110.1(b)(5)(ii)(B))A contribution can only be redesignated to a previous election to the extent that the contribution does not exceed the committee's net debts outstanding for that election. (11 CFR § 110.1(b)(3)(i))

If the foregoing conditions for reattributions or redesignations are not met within 60 days of receipt, the excessive amount must be refunded. (11 CFR § 103.3(b)(1))

If you have not already done so, please inform the Commission of your corrective action immediately in writing and provide photocopies of any refund checks and/ or letters reattributing or redesignating the contributions in question. Refunds are reported on Line 20(a), (b), or (c), as applicable, of the Detailed Summary Page and on a supporting Schedule B of the report covering the period in which they are made. Redesignations and reattributions are reported as memo entries on Schedule A of the report covering the period in which the authorization for the redesignation and/or reattribution is received. (11 CFR § 104.8(d)(2), (3) and (4))

Although the Commission may take further legal action concerning the acceptance of excessive contributions, your prompt action to refund or redesignate and/or reattribute the excessive amount will be taken into consideration.

3. Schedule A of your report discloses one or more contributions that appear to exceed the limit set forth in the Act (see attached).

14020163408

Image# 14330042753

No political committee other than a qualified multi-candidate committee may make contributions to a candidate for federal office in excess of $2,600 per election. The Rayonier Inc. Good Government Committee did not meet the requirements for qualified multi-candidate status as of the date the contribution(s) was made to your committee. The term "contribution" includes any gift, subscription, loan, advance, or deposit of money or anything of value made by any person for the purpose of influencing any election for federal office. (2 U.S.C. § 441a(a) and (f); 11 CFR § 110.1(b))

If any apparently excessive contribution in question was incompletely or incorrectly disclosed, you must amend your original report with the clarifying information.

If any contribution(s) you received exceeds the limits, you may have to refund the excessive amount. The funds can be retained if, within 60 days of receipt, the excessive amount is properly redesignated for a different election. An excessive contribution is considered properly redesignated if (1) the committee obtains signed written documentation from the contributor(s) authorizing the redesignation of the contribution for another election, provided that the new designation does not exceed the limitations on contributions made with respect to that election; or (2) the committee redesignates by presumption the excessive portion of the contribution for another election provided that the new designation does not exceed the limitations on contributions made with respect to that election. In this case, the treasurer must notify the contributor of the redesignation in writing within 60 days of the treasurer's receipt of the contribution. The notification must give the contributor an opportunity to request a refund. (11 CFR § 110.1(b)(5)(ii)(B))A contribution can only be redesignated to a previous election to the extent that the contribution does not exceed net debts outstanding for that election. (11 CFR § 110.1(b)(3)(i))

If you have not already done so, please inform the Commission of your corrective action immediately in writing and provide photocopies of any refund checks and/or letters redesignating the contributions in question. Refunds are reported on Line 20(a), (b), or (c), as applicable, of the Detailed Summary Page and on a supporting Schedule B of the report covering the period in which they are made. Redesignations are reported as memo entries on Schedule A of the report covering the period in which the authorization for the redesignation is received. (11 CFR § 104.8(d)(2), (3) and (4))

Although the Commission may take further legal action concerning the

14020163409

Image# 14330042754

acceptance of excessive contributions, your prompt action to refund or redesignate the excessive amount will be taken into consideration.

4. Schedule A of your report discloses one or more contributions from an organization(s), which is not a political committee registered with the Commission (see attached). In order for your committee to accept contributions from unregistered organizations, your committee should take steps to ensure that the contributor(s) used permissible funds to make the contribution(s) to avoid violating 2 U.S.C. §§441a(f) and 441b or 11 CFR §102.5(b). Under 11 CFR §102.5(b), organizations which are not political committees under the Act and choose to contribute to federal committees must either: (1) establish a separate account which contains only those funds permitted under the Act, or (2) demonstrate through a reasonable accounting method that the organization has received sufficient funds subject to the limitations and prohibitions in order to make the contribution.

If any apparently prohibited contribution in question was incompletely or incorrectly disclosed, you should amend your original report with clarifying information. In addition, please clarify whether the contribution(s) received from the referenced organization(s) is permissible.

If you have received prohibited contributions, you must make a refund. (11 CFR § 103.3(b)(1)) The refund must be made within 30 days of the treasurer becoming aware of the illegality of the contribution. (11 CFR § 103.3(b)(2))

If you have not already done so, please inform the Commission of your corrective action immediately in writing and provide a photocopy of any refund checks. Refunds must be reported on a Schedule B supporting Line 20(b) of the report covering the period in which the refund was made. (11 CFR § 104.8(d)(4))

Although the Commission may take further legal action concerning the acceptance of prohibited contributions, your prompt action to refund the prohibited amount will be taken into consideration.

5. Itemized disbursements must include a brief statement or description of why each disbursement was made. Please amend Schedule B supporting Line 17 of your report to clarify the following description(s): "Consulting Expense," "Gift," "Event Fee," "Fundraising Event," and "Fundraising Expense." For further guidance regarding acceptable purposes of disbursement, please refer to 11 CFR 104.3(b)(4)(i)(A).

Additional clarification regarding inadequate purposes of disbursement published in the Federal Register is available on the FEC website at www.fec.gov/law/policy/purposeofdisbursement/inadequate_purpose_list_3507.pdf. A non-exhaustive list of acceptable purposes is also available on the FEC website at http://www.fec.gov/rad/pacs/documents/ExamplesofAdequatePurposes.pdf.

6. Schedule B supporting Line 17 discloses disbursements to "Petty Cash Fund" for Mileage. Please be advised that cash disbursements to any person or vendor for any single purchase or transaction may not exceed $100. If payments to the original vendor exceed $200 in an election cycle, a memo entry including the name of the original vendor as well as address, date, amount, and purpose of the original purchase must be provided. Please amend your report to include the missing information or provide clarifying information if memo items are not required. (2 U.S.C. §432(h)(2) and 11 CFR § 102.11)

Please note, you will not receive an additional notice from the Commission on this matter. Adequate responses must be received by the Commission on or before the due date noted above to be taken into consideration in determining whether audit action will be initiated. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action. **Requests for extensions of time in which to respond will not be considered.**

A written response or an amendment to your original report(s) correcting the above problems should be filed with the Senate Public Records Office. Please contact the Senate Public Records Office at (202) 224-0322 for instructions on how and where to file an amendment. If you should have any questions regarding this matter or wish to verify the adequacy of your response, please contact me on our toll-free number (800) 424-9530 (at the prompt press 5 to reach the Reports Analysis Division) or my local number (202) 694-1395.

Please see the note below from Shaunda. All is good with the world. I do need guidance, however, with regard to the 2/26 event and what amount we would like to contribute. It would have to be for the 2014 General Election.

No problem. I reached out to the analyst for Rayonier , David Butler in DC. He said there is no letter or confirmation that goes out once it is accepted. The only notifications that are sent is if there is an issue with the multicandidate status. He verified that it is effective as of June 5, 2013.

He said it wasn't updated in the system, but he has a request to correct this now. He said everything looks accurate and the committee does qualify. He says this is a database error.
