Response to Commission Letter of Sept. 22, 2011, reference the July Monthly Report (06/01/2011 - 06/30/2011): Allocation of administrative expenses are made according to the fixed percentage reported on the first report of the year. Payments for salary and wages for employees who spend more than 25% of their time on Federal election activities are made from the Federal account and disclosed on Line 30(B). The reason there are no monthly rent payments listed on the reports is because the Republican Party of Virginia owns the building that it conducts business from.
