Senior Campaign Finance Analyst  
Federal Election Commission

Dear Mr. Needles:

In response to your letter dated October 8, we are filing an amended September Monthly Report (8/1/08-8/31/08). The internal draft used for our reviews and approvals of the September Monthly Report was correct. However, due to an inputting error with the electronic submission, we now realize that the wrong number was keyed in for item 11(a)(i); therefore causing the YTD total for this item and item 11(a)(ii) to be incorrect. We have corrected these totals in the amended filing. We have taken steps to help ensure that this problem is avoided in the future.

Sincerely  
Jerry Vest  
Treasurer
