The Committee is filing the Amendment in response to the Commission's request for additional information. The contribution from the CWA was partially refunded on January 4, 2010. The remaining \$2,500 of that contribution should have been transferred to the non federal account. Since it was not transferred, the committee is now refunding the remaining portion of that contribution. The Committee assesses the usual and normal charge for voter file access based on the sale of comparable data and services within the region. All other requests made by the Commission have been addresses in this amendment. Any payroll related expense on Schedule H4 was for the benefit of employees that did not spend over 25% of their compensated time on federal election activity. The transfer of the joint fundraising proceeds received during this reporting period from the ASDC Partnership Program represents the committee's share of proceeds for contributions received during this or prior reporting periods. The memo entries for these contributions are included in this or a prior report of the committee.
